

The 21st Asia-Pacific Network Operations and Management Symposium

APNOMS 2020

www.apnoms.org/2020

Sponsored by KICS KNOM, IEICE ICM

Sep. 23-25, 2020 in Daegu, Korea

- Towards Service and Networking Intelligence for Humanity -

Important Dates

- Tutorial Proposals due: **April 30, 2020**
- Notification of Acceptance: **May 25, 2020**

The APNOMS 2020 organizing committee invites proposals for tutorials to be given at APNOMS 2020 in Daegu, Korea, Sep 23-25, 2020. We solicit proposals for tutorials on all topics of network and service management. Especially encouraged are topics related advanced network operations and service management for scalable, seamless & secure, and mobile broadband services including architecture, technologies, experiences, standardization activities and so forth. The same amount of money with registration fee will be paid per tutorial as an honorarium

Proposals for tutorials should contain:

1. A two-sentence description of the tutorial, suitable for inclusion in the conference registration brochure.
2. A two-paragraph description of the tutorial, suitable for a web page overview.
3. A detailed outline of the tutorial.
4. A characterization of the potential target audience for the tutorial, including prerequisite knowledge. Indicate which of the above objectives are best served by the proposed tutorial.
5. A description of why the tutorial topic would be of interest to a substantial part of the APNOMS audience.
6. A brief resume of the presenter(s), which should include:

- Name
- Title (e.g., Professor/Dr./Mr./Ms.)
- Affiliation
- Postal address
- Phone and fax numbers
- E-mail address
- Other information, such as publication list related to the tutorial topic and evidence of teaching experience.

Send any enquiry on APNOMS 2020 to Tutorial Co-Chairs:
