

Call for Exhibitions

The 21st Asia-Pacific Network Operations and Management Symposium

APNOMS 2020

www.apnoms.org/2020/

Sponsored by KICS KNOM and IEICE ICM

September 23-25, 2020, Daegu, Korea

"Towards Service and Networking Intelligence for Humanity"

The Asia-Pacific Network Operations and Management Symposium (APNOMS) is the premier conference on network operations and management in the Asia-Pacific region. APNOMS meets every year, typically during September, and boasts a rich history of successes. It includes a full three-day program of keynotes, tutorials, technical sessions, panel discussions, poster sessions, and exhibits focusing on managing networks that span the computing and telecommunications areas. APNOMS 2020 will encourage open discussions on technology alternatives that focus on the operations and management of current and future networks and services. APNOMS welcomes submissions based on implementation and experimentation, as well as simulation and analytical approaches. Please refer to the APNOMS 2020 homepage (<http://www.apnoms.org/2020/>) for detailed technical programs and events.

Exhibitions Invitation:

The Organization Committee of APNOMS 2020 cordially invites your organization or company to provide an excellent exhibition in APNOMS 2020. The exhibitions will provide another very good place to demonstrate the high technology level of your solutions and products for efficient network analysis, operations and management of current and future networks and services.

Exhibitor Registration Fee:

- Exhibitor registration fee includes banquet, lunch and coffee breaks but does not include admission to tutorials and technical sessions.
